

SOCIAL MARKETER LIVE CLEAN CREDITS

Social Marketers can earn up to \$200 in free product each month based on their customer pods and Promoter title.

Live Clean Credits are calculated with the monthly commission run and are added to a Social Marketers account by the 15th of each month for the previous month's activity.

To be eligible for Live Clean Credits a Social Marketer needs to have (75 Smart Ship or 150 Activity Points).

Live Clean Credits can be used on ala carte purchases and on SmartShip orders. Live Clean credits are valid for a period of 60 days. Live Clean credits do not apply to event orders, event registration, renewal fees, sales aids, swag, shipping and handling, tax or any other non-product purchase.

Beginning in April, 2017 Social Marketers will be able to view their Live Clean credits in their My Account section of Modere.com.

Check out the Promoter Compensation Chart to see how many Live Clean Product Credits are awarded based on Promoter Title qualifications.

When Live Clean Product Credits are applied to an order, the commissionable points associated with the product will be reduced accordingly. Social Marketers will, however, be eligible to count the pre-discount points associated with the purchase towards title qualifications.
